Sterling Hydrotech Ltd is pleased to announce that Jonathan Palmer has recently joined the Service Team, in the capacity of Technical Support Engineer.

Jonathan previously worked for Siemens Water Technologies as a Field Service Engineer, covering the South of England for six years, and comes with manufacturer technical experience of the Depolox Pool, Ezetrol, Ezetrol Plus, and STRANCO automatic dosing controllers plus the Astron and Barrier UV range.

All our customers have access to this Technical Support, which is an invaluable asset to Sterling Hydrotech Ltd, please feel free to contact us, if you have any issues with your automatic dosing controller or UV unit, and we will be happy to assist you.

If you wish to discuss Technical Support, Pool Maintenance, Media Changes, Filter Refurbishment, Training, or any other plant room equipment, please call Karen on 01246 857000 option 2, or reply to this email and one of our team will call you back.
