

Efficient Filtration / Environmentally Friendly / Cost Effective

Our HRG (Hydrotech Recycled Glass) media is now available at the same price as filtration sand. You can enjoy the benefits associated with glass media with out paying a premium price.

If you need a price for a media change (or have had a price from us in the last 12 months using filtration sand) the price will be the same for HRG.

Your choice, same price!

If you wish to discuss Media Replacement, Filter Refurbishment, Swimming Pool Maintenance, Training, or any other plant room equipment, please call Karen on 01246 857000 option 2, or reply to this email and one of our team will call you back.
