

Appointment with Jonathan Palmer

Sterling Hydrotech Ltd have proudly announced that Jonathan Palmer recently joined their Service Team as Technical Support Engineer.

You will be familiar with Jonathan when he visited you over the past seven years, whilst working in the industry.

Jonathan would very much welcome the opportunity of working with you again, and will be in touch to make an appointment to visit you, to formally introduce Sterling Hydrotech Ltd and its full range of services, discuss any current issues you have, and plant room maintenance.
