

Celebrate with us – and win a 25 year old Whisky

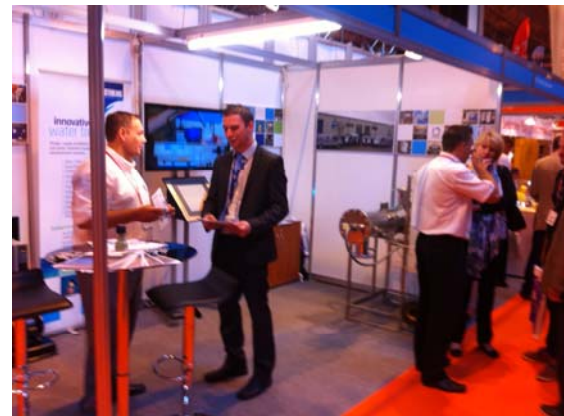

Sterling Hydrotech Ltd is celebrating its 25th anniversary in 2013, we are a Swimming Pool Filtration and Water Treatment Specialist.

At LIW our focus will be on innovative solutions with emphasis on Environmentally Friendly Products, Energy Saving and Integrated Control Systems.

On the stand will be the latest in Chemical and Dosing Controllers, UV's and Inverter drives. We are a "Siemens Solution Partner" and we will be giving advise on the benefits this will create for our customers

Come and join the celebration on our stand with a chance to win a 25 year old Whisky .

Visit us at LIW on the 24th 25th & 26th September, stand P334 near the swimming pool, and meet the team, quoting **Promotion code LIW 12**
